Start early and explore what is available. Career development resources for graduate students are decentralized. Start by having regular conversations with your advisor and by taking advantage of events and resources offered by your home graduate program and college. The following programs and resources are open to all students.

Bill and Susan Lhota Office of Alumni Career Management
http://www.ohiostatealumni.org/resources/careers/Pages/default.aspx
Virtual and face-to-face career counseling, networking, and career events for all Ohio State alumni.

Buckeye Careers—Office of Student Life
http://careers.osu.edu/
University-wide online resource for student jobs, internships, co-ops, and career development.

Career Counseling and Support Services—Office of Student Life
http://careerconnection.osu.edu/graduate-professional-students/
In-person consultations and online information about job and internship searches, CV/resume writing, interviewing, and more.

Council of Graduate Students
http://www.cgs.osu.edu/
Graduate student government, travel and career development grants, and the Hayes Graduate Research Forum.

Graduate Minors & Interdisciplinary Specializations
http://www.gradsch.ohio-state.edu/graduate-interdisciplinary-specializations.html
Add another credential through low credit hour graduate minors and interdisciplinary specializations. Over 50 options.

Office of International Affairs
http://oia.osu.edu/
Information and immigration advising for international students, and travel grants for graduate students performing international research.

Ohio Union Activities Board
Graduate/Professional Committee
http://ouab.osu.edu/grad_prof
Workshops and events related to graduate student career development and other social and family-friendly programs.

Preparing Future Faculty Program—Graduate School
http://www.gradsch.ohio-state.edu/preparing-future-faculty-program.html
Learn more about faculty careers at liberal arts colleges and smaller universities. Mentorships with faculty at partner institutions.

Research Commons—University Libraries
https://library.osu.edu/researchcommons/
Support for graduate student researchers. Educational and training workshops, referrals to other campus research support services across campus, and expert consultations.

Scarlet and Gray Financial Coaching
http://swc.osu.edu/financial-education-coaching/
Full array of financial counseling services tailored to graduate students.

University Center for the Advancement of Teaching
http://ucat.osu.edu/teaching-topics/academic-job-search
Support and resources for graduate students and faculty involved in or interested in university teaching.

Versatile PhD
http://versatilephd.com/
An on-line community and resource for those interested in non-academic careers. Free to all Ohio State students, faculty, staff, and alumni. Subscription provided by the Graduate School.

Hayes Graduate Research Forum
https://cgs.osu.edu/hayes-forum/
A campus-wide showcase of graduate student research. Cash prizes to the top presentations. Co-sponsored by the Graduate School, Office of Research, and the Council of Graduate Students.
