The Graduate Program in \_\_\_\_\_ does not want to estimate the number of declined fellowships we will receive from competition or college allocated awards; however, we want to participate in the fellowship reallocation process.

_____	_____	_____

The fellowship is covered by the following declined fellowships:

<u>Student Name(s)</u>	<u>Type of Fellowship</u>	<u>Reallocation Credits**</u>

**Upgraded Offer:** In place of or in addition to the above, please add a dissertation year to the one-year fellowship awarded to the student listed below and/or an additional year(s) to a current multiple-year fellowship. By doing so, we understand that we are guaranteeing continuous financial support, as outlined in the Fellowship Guidelines\*\*, to the student for the intervening years.
